Instructions

Step 1: Draw pencil lines 2 inches from the outer edges all around the canvas board.

Step 2: Inside the 2 inch lines, draw 2 inch squares on the long sides.

Step 3: On each short side, inside the 2 inch lines, draw two 2 in. squares & one 1 in. square.

Step 4: Trace over pencil lines with a sharpie or oil-based paint pen.

Step 5: Paint the board spaces & let dry. Redraw black lines.

Step 6: Label the board spaces with a sharpie or black glossy paint.

Step 7: Cut white sticker to fit on the Altoids lid. Label and stick on the lid.

Step 8: Hot glue the altoids container to the board.

Step 9: Print & cut out the question cards. Cut a little extra off the cards to fit in the container.

Final Step: Place tokens/playing pieces and one dice onto the board.

Have fun playing!
